Physicians Mutual to Benefit the National Alliance for Grieving Children at NFDA

OMAHA – October 5, 2018 – Physicians Mutual wants to help update your profile photo at NFDA this year. Stop by **Booth 1029** on October 15 and 16 to get your **free, five-minute caricature drawing** done by one of two talented artists. For every completed drawing, Physicians Mutual will make a donation to the National Alliance for Grieving Children (NAGC).

“Physicians Mutual is always looking for ways to innovate, whether it’s our preneed products or an event sponsorship. This is an exciting opportunity to support the NAGC, a respected organization in the funeral profession. This marks our third year giving a charitable contribution through our NFDA sponsorship and we welcome attendees to our booth to have their caricature drawing done,” said Vice President Brice Ballard, who will be in attendance at the expo.

Attendees will receive a free 4x6 print of their caricature drawing as well as a link to download and share their masterpiece. Help Physicians Mutual help the NAGC and grieving children around the country by stopping by **Booth 1029** on October 15 or 16.
